SUMMARY

I am a Moroccan and Canadian 4th year undergraduate student at the University of Toronto, double majoring in Economics and Statistics. I have good knowledge of macroeconomics and microeconomics, as well as strong skills in statistics and data analysis. I have the ability to work in English, French, and Arabic and I work well in teams.

EDUCATION

University of Toronto, Canada

2019–2023

Bachelor of Arts and Sciences, Double Major in Economics & Statistics

(Key Coursework: Advanced Microeconomics, Advanced Macroeconomics, Methods of Data Analysis, Data Mining, Survey Sampling and Observational Data, Computer Programming)

Rabat American School, Morocco

2017–2019

International Baccalaureate (IB), Graduated with Honors

EXPERIENCE

Intern - Research Assistant, Morocco

June–Aug 2021

ZH Advisory - Strategic Advice to Investors

- Wrote background notes and reports on the real estate sector in Morocco for a foreign client planning to invest in these assets. In doing so, I collected data to research the fundamental factors impacting the real estate market, namely: supply and demand dynamics, monetary policy, fiscal policy, and the exchange rate. I also presented the results of this research to the client.

Intern - Staff and Debate Instructor, Morocco

2015–2017

Morocco Model United Nations (MaMUN)

- Participated in 4 editions as a staff member and a debate instructor in the Human Rights Committee. Trained students and followed their progress by having them write daily post-debate reports.

SKILLS

Languages

- Arabic (Native), French (Native), English (Fluent)

Technical Skills & Data Softwares

- Macroeconomic Analysis, Financial and Capital Markets Analysis, Quantitative Data Analysis.
- R, STATA, Python, Microsoft Excel, Microsoft PowerPoint, Microsoft Word

Sports

- Lengthy experience in team (Football, Volleyball, Basketball) and individual sports (Tennis, Badminton)

ACHIEVEMENTS

Institute for International Political Studies & Bocconi University, Italy

April 2022

Planet Needs YOUTH G-20 Initiative

- Took part and participated in debates with 500 young leaders centered on global challenges such as the impact of climate change, COVID-19, and the Russia-Ukraine conflict on the global economy.

Rabat American School, Morocco

2016 - 2019

National Honor Society

- Was involved in several community-service driven activities, both within the school community and the city of Rabat with grassroot NGO's.

High School Achievement Award in social studies and mathematics
